1. There are MVD troops in Germany, but not in Austria. It is doubtful that there are MVD troops in the satellites because the presence of such troops would make a poor impression on the satellites.
2. MVD troops in Germany are subordinate to the Chief Directorate of Internal Troops and are not part of the Soviet Army. The chief of this directorate is Lieutenant General Burmak (fnu).¹ The MVD troops in Germany, however, might be a mixture of border and internal troops.
3. The largest concentrations of MVD Internal Troops can be found in the Baltic States, the western Ukraine, and former East Prussia.

1. Comment. Probably Lieutenant General Petr Vasilevich Burmak.
